

Job Opportunities (Queenstown)

Tired of your current job? Need a change of scenery? Want to work for a great company, with an active and energetic team? **Well, have we got the job for you!** We are currently looking for two talented and enthusiastic civil engineers/designers to join our Queenstown team to help deliver some exciting projects throughout the Central Otago Region.

The Roles

You will be helping to deliver a wide range of new and existing projects throughout the region and will be expected to undertake and assist with the following tasks as part of your role.

1. Civil Engineers/Designers (Queenstown)

- Help to build and maintain strong and trusted relationships with our great clients.
- Prepare infrastructure assessments to support resource consent applications.
- Undertake earthworks, three waters and roading infrastructure design using 12d.
- Prepare design reports and council Engineering Acceptance applications.
- Prepare tender documents, specifications etc, and compile contract documents.
- Undertake contract administration and construction monitoring.
- Prepare 224c applications and undertake general completion tasks.

2. Senior Civil Engineer (Queenstown)

- Help build and maintain strong and trusted relationships with our great clients.
- Work independently and manage projects from start to finish.
- Lead the civil engineering design (stormwater, wastewater, water and roading) for projects. A specialisation in stormwater design is a bonus.
- Review work from juniors and provide mentoring and support.
- Engage in wider company strategy.

The Company

We are a medium-sized land development consultancy of civil engineers and surveyors who are passionate about delivering great projects for our clients. The Southern Land Group is made up of five offices located in Queenstown, Wanaka, Invercargill, Golden Bay and Auckland. Each office is independently and locally run but we do share resources between offices as required. The Queenstown office has 7 staff and the Wanaka office has approximately 20.

The People

We are planners, surveyors and civil engineers, but we're also skiers, snowboarders, motorbikers, cyclists, mountaineers, ultra-runners, car racers, dog (and occasionally cat) lovers, golfers, hunters, trampers, campers, scone-eaters and coffee addicts. We're dedicated to giving our clients the best solutions and service, but we still make time to have fun and enjoy our beautiful surroundings.

What We Can Offer

We pride ourselves on being flexible and 'making it work' for our employees. You will have the opportunity to be involved in a wide variety of projects, from large construction projects to small two-lot subdivisions and everything in between. We pay competitive salaries and will value you for the contribution you bring to the team.

If this sounds like you, then please get in touch with Louis Ferreira for a friendly and confidential catch-up to see if Southern Land is right for you! Louis@southernland.co.nz, 027 403 2047.
